TESTIMONIALS

- What people say about Dash Taxis, from all over the web.

The best taxi firm by far. Friendly, courteous and nothing is too much trouble. Dene recently took my 80 year old Mum to Gloucester and back for a wedding and she could not praise him enough.

 Sandra O'Dell

We have used Dash Taxis on several occasions, latest being on a Bristol Airport run. Dean is a very nice driver and keeps his car very clean. He is a very helpful, kind and polite person to deal with and will def use Dash Taxis again in the future. Wishing you all the best.

 Winter8793

Really friendly service I use them all the time so I get a really good rate. Always on time and very pleasant. Much better than the ones you get from a rank. I always call dash. BEST AROUND.
